3 § -5 **Corporate purposes.** (a) Every sustainable

 - 21 (C) Enhancing environmental protection nationally and
22 internationally; provided that if the public

1 benefit under this paragraph relating to the use
2 of patents is specified, section -4 shall not
3 apply to the corporation and the sustainable
4 business corporation status shall be permanent,
5 and this specific public benefit shall not be
6 deleted from the articles of the corporation
7 pursuant to subsection (d), unless the annual
8 statement of the benefit director concludes that
9 the sustainable business corporation has failed
10 to pursue this specific public benefit, then the
11 corporation shall have its status as a
12 sustainable business corporation terminated.

13 (c) The creation of general and specific public benefits
14 as provided in subsections (a) and (b) shall be in the best
